Email message will be sent to your account indicating article has arrived

You obtain the article from the ILLiad system no trip to library required
Suppose Computer and Good Printer at home can printing be all done there?

- It depends on Speed of Modem (cable or DSL are best)
- Must be a Registered Student at time of use or Faculty or Staff
- Best method is to use My EBSCOhost

With this account, you can:

- Save preferences
- Organize your research with folders
- Share your folders with others
- View others' folders
- Save and retrieve your search history
- Create email alerts and/or RSS feeds
- Gain access to your saved research remotely
To enter the area Click on Sign In to My Folder
I’m a new user

- Can select own User Name and Password (must be unique)
• Mark the articles you want to add to My EBSCO Host by clicking on the Add to folder hyperlink

   Abstract Only

Printing and Email work best at individual article level.

• Note when PDF file save to desktop or zip drive or hot key and then print.
• (Printers have trouble keeping up online)
• Can utilize this database when away from home at another university
  o Go to WVU Libraries Web page
  o Sign On to one of our databases.
  o Open My EBSCO Host
  o Clean out this file occasionally.
  o Please Exit the program when finished so others can utilize!
